## SLEEP ESSENTIALS

To ensure a truly restful stay, simply select a pillow that best suits your needs for a perfect night's sleep. Our associates will ensure that your rest is tailored to your personal preference, so you awaken refreshed and revitalised.

## PILLOW MENU

### **Hypo-Allergenic Pillow**

Filled with Rhombo balls, a hypo-allergenic filling, this pillow is ideal for those allergic to feathers.

### **Pregnancy Pillow**

Sleeping during pregnancy can be challenging. Our pregnancy pillows offer elevated comfort by supporting your growing bump and keeping you on your side throughout the night.

### **Kapok Pillow**

An excellent alternative to feathers, Kapok is an exceptionally silky, lightweight, down-like fluffy fiber sourced from the seed pods of Great Kapok trees in tropical rainforests. Responsibly harvested for sustainable supply, it's vegan and chemical-free.

### **Bamboo Pillow**

Crafted with high-quality memory foam and encased in a soft 40% bamboo cover, this pillow provides exceptional support. It's designed to keep you cool in summer and warm in winter.

### **Memory Foam Pillow**

Featuring a special 100% cooling gel-foam filling, this pillow offers firm support and contours to your head and neck shape for a truly relaxing sleep experience.
