STEP INTO A SANCTUARY FOR THE SENSES

Going back to basics, where wellbeing is simply about embracing nature and surrendering to the art of human touch, are what our Founders had in mind when first started the Banyan Tree Spa.

These ideals became the cornerstones of the spa, pioneer of the tropical garden spa concept. Over the years, the intuitive touch of our talented therapists, the seamless blend of serenity with exotic sensuality and the beauty of the natural environment have come to define the award-winning Banyan Tree Spa experience.

Enjoy the difference.
